

ATHLETIC CONSENT TO PARTICIPATE/WAIVER FORM

To: Parents and Guardians  
From: Aaron Coleman, Athletics Director  
Subject: Consent/ Waiver Form for Athletics for 2017-2018 School Year

Below is a consent form giving your son/ daughter permission to participate in athletics at Environmental Charter School for the upcoming 2017-2018 school year. This consent form allows your child to practice and play in games. It is also a waiver of injury. Parents/Guardians understand that Environmental Charter School is not liable for any injuries that may occur while participating in these sports, whether games (home or away) or practice. Also, it is understood that practice may be held away from Environmental Charter School- Upper School campus (due to shortage of facilities), and that ECS is not liable in transportation (Parents/Guardians will be notified of where these other facilities are located well before practice begins). It is also important to know that in sports involving training, such as short and long-distance running and agility training, this will be done in the vicinity of, but not necessarily on campus. This means that training may include running the trails of Frick Park. Practicing and playing in any sport always runs the risk of injury, but if it is done in safe conditions injuries can be kept to a minimum. It is understood that Environmental Charter School cannot be held liable for any injuries that possibly occur while safety precautions have been given and are administered. Environmental Charter School will strive to provide the safest environment possible. *(We encourage that before you and your child sign the Athletic Consent/Waiver Form that you consult with your child's pediatrician to ensure that they are physically capable of participating in athletics.)*
